Alexander Family Dental

Alexander Family Dental *is committed to providing you with the best dental care available. We have found that a clear understanding of our office financial guidelines relieve some of the anxiety associated with going to the dentist. We want to be certain that our guidelines are clear and that all of your questions are answered to your satisfaction. For your convenience we honor several different payment plans.*

Payment Options:

When you do not have dental insurance, we ask that you pay for your dental services in full at the end of each appointment. We gladly accept Cash, MasterCard, Visa, Discover and American Express. We also offer a dental plan for those without insurance as an added value to you.

Dental Insurance:

As a courtesy we will file your insurance claim for you. We will make a good faith estimate for planned treatment and request that you pay your estimated portion at the time of service. When payment has been received from your insurance carrier, we will settle the outstanding balance of your account with you (there may be a difference between the estimated portion and actual payment). As a service to you, we will complete and file the appropriate claim forms with your insurance carrier(s). We are happy to provide any x-rays or additional information they might require.

If your insurer denies coverage or delays payment beyond 60 days from the claim filing date, the entire amount will become due and payable by you. Although we make every effort to help you obtain your full benefit, there are many variables we cannot anticipate nor control. Please be aware that your insurance benefits are a contract between you, your employer (if applicable) and insurance company.

Financial Services:

We offer CareCredit service that allows you to pay over time with convenient monthly payments.
For more information please inquire with the front office staff.

Cancelling Treatment:

We understand that sometimes a patient may find it necessary to cancel treatment that has not started or is not yet complete. If that treatment was paid in advance then you may be entitled to refund up to the full amount. In cases where treatment is in progress your prepayment will be reduced by the amount of work completed. If you only partially prepaid for this treatment, you could still have a balance due.

Refund Policy:

As part of our fraud and abuse controls our office staff do not have the ability to directly issue a refund. They will submit a refund request to our Accounts Payable department on your behalf. In the event of HSA Accounts or third party payors, like CareCredit, refunds must be processed directly back to the originator and you will receive a credit on your account as opposed to a check in the mail. Our process, including internal controls, takes about two weeks to complete.

We Would Also Like You to Know:

- Our office requires a minimum of 2 business days notice (longer if possible) if you are unable to keep your reserved appointment time.
- YOUR APPOINTMENT IS SPECIFICALLY RESERVED FOR YOU. A fee of $50 per hour of missed appointment time will be charged to the patient for any appointment that is canceled without at least two business days' notice.
- There will be a $25.00 charge for unpaid returned checks.

I authorize payment to be made directly to Alexander Family Dental by my insurance company and I accept financial responsibility for all services not covered by my insurance. I authorize release of any medical information requested by my insurance carrier. I agree to pay interest of 1.5% (18% annually) on any balance over 30 days. I hereby agree that in the event of default of any amount due, and if this account is placed with a collection agency or attorney for collection or legal action, to pay an additional charge equal to the cost of collection including any attorney fees and court costs incurred and permitted by laws governing these transactions up to 50% of the family's total balance.
